

A big thank you to our supporters.
Your generosity has made a huge impact on our young people's lives.

How you can help Roundabout.

Donate your energy.

We're always looking for volunteers who we can support and train in specific areas of work to improve the lives of the young people we work with and to continuously improve the service we provide.

Donate your skills and know-how.

Can you put up a shelf, fix a leaking pipe or are you a whizz with computers? We will always welcome people who can volunteer their skills.

Roundabout is nationally recognised for its high standard of support and innovation with homeless young people, and is Sheffield's longest running homeless charity and has worked with over 10,000 young people since 1977.

With the support of trusts, local companies and community fundraising, so far we have been able to raise half of the money needed to cover the shortfall in our funding. We would like to say a special thank you to Evolution Power Tools, Garfield Weston Trust, Sheffield Town Trust, Freshgate Foundation, Landaid, Sheffield City Council Community Grants, SAVE, Clothworkers Foundation, Trusthouse Foundation, Plug Nightclub, Thornbridge, Sheffield Freemasons, John Lewis, Forum Cafe Bars and Aviva.

Our aims.

- To support and empower young people who are homeless, to recognise, develop and take advantage of the choices open to them.
- To encourage and assist young people who are homeless, to act upon issues that affect them and to participate fully as confident citizens in their communities.
- To provide high-quality, effective and flexible housing, care and support services to meet the diverse needs of young people who are homeless and to develop appropriate new services as those needs change.

Every donation, no matter how small will make a huge difference to the work we do.

How your donation helps young people.

£5 (per young person)

Provides a young person with a small food parcel or a gas or electric token.

£10 (per young person)

Provides childcare to allow a supporting tenants client to attend meetings where they can have their say about Roundabout services. Providing childcare removes that barrier to them taking part in meetings to discuss things such as policy reviews, who they recruit and shaping the service Roundabout provides.

£20 (per week)

Enables all residents in the Hostel to attend weekly 'gym & swim' sessions, improving their health and well-being.

£50

Provides breakfast for all residents in the hostel for one week.

£100

Would provide a home starter pack when a young person moves into their own tenancy.

£500

Would pay for the complete re-decoration of one of the supported houses in the community that the young people move into out of the hostel.

£1000

Would fully furnish a bedroom in our emergency hostel, and provide a safe place for vulnerable young people to stay for up to 6 weeks.

£2,000

Can sponsor one of the kitchens in our newly refurbished hostel which will be used for the young people to prepare their own meals. They will also be used for life skills sessions to teach the young people how to make meals and how to cook on a budget.

£5,000

Can sponsor our hostel backyard for three years and provide an outside space for the young people to socialise and give them the room to exercise and grow their own vegetables.
